

EP Staff Training

1st training course for nurses and allied professions in invasive cardiac electrophysiology with international participation
Feb 25th - Mar 1st 2020, Hotel International, Zagreb, Croatia

Friday | Feb 28th 2020

12.00 – 13.00 Lunch

13.00 – 13.15 Welcome and information about the course | Ivica Benko, Ana Ljubas

13.15 – 13.30 Baseline EP quiz

Basics

Moderators: Igor Ferjančić, Ivica Benko

13.30 – 14.00 Heart anatomy and conduction system | Ivica Benko

14.00 – 14.30 12 lead ECG interpretation | Igor Ferjančić

14.30 – 15.00 Introduction into the invasive EP procedure | Ivica Benko

15.00 – 15.30 Introduction into the intracardial ECG & EP study | Ivica Benko

15.30 – 16.00 Biophysics of ablation | Krešimir Librenjak

16.00 – 16.30 Coffee Break

16.30 – 16.50 Radiation protection measures in the EP Lab | Dejan Todorović

16.50 – 17.10 Transeptal puncture | Igor Ferjančić

Course Programme

17.10 – 17.30 Echocardiography in cardiac electrophysiology | Sanja Vučinić, Dejan Todorović, Sanja Kablar

17.30 – 17.50 About implantable devices and EP procedure | Ivica Benko

All about SVTs – EP study and ablation

Moderators: Dejan Todorović, Krešimir Librenjak

17.50 – 18.20 Atrioventricular nodal reentrant tachycardia | Krešimir Librenjak

18.20 – 18.50 Atrioventricular reentrant tachycardia | Ivica Benko

18.50 – 19.20 Common atrial flutter | Igor Ferjančić

19.20 – 19.30 AV node ablation | Ivica Benko

19.30 **Group Dinner**

Saturday | Feb 29th 2020

Industry session

Moderators: Igor Ferjančić, Ivica Benko

09.00 – 09.30 Biosense Webster Carto 3D mapping system | Iva Marija Ramljak

09.30 – 09.45 Carto 3D – experience from the Lab | Ivica Benko

09.45 – 10.15 Abbott EnSite Precision 3D mapping system | Jan Bahnik

10.15 – 10.30 EnSite Precision – experience from the Lab | Ante Borovina

10.30 – 11.00 Medtronic CryoConsole | Marko Perković

11.00 – 11.15 Cryoablation - experience from the Lab | Danijela Krnjić

11.15 – 11.30 **Coffee Break**

Complex arrhythmias – EP study and ablation

Moderators: Dejan Todorović, Krešimir Librenjak

11.30 – 12.00 Atrial fibrillation | Krešimir Librenjak

12.00 – 12.30 Atypical flutter | Ivica Benko

12.30 – 13.00 Ventricular arrhythmias | Ivica Benko

13.00 – 13.15 Emergencies and complications in the EP Lab | Ivica Benko

13.15 – 13.30 After course quiz

13.30 – 14.30 **Lunch**

Live in the box cases

Moderators: Igor Ferjančić, Ivica Benko

14.30 – 15.00 Case 1 | Institut za kardiovaskularne bolesti Dedinje, Belgrade, Serbia

15.00 – 15.30 Case 2 | UKC Ljubljana, Slovenia

15.30 – 16.00 Case 3 | KBC Sestre milosrdnice Zagreb, Croatia

Sunday | Mar 1st 2020

09.00 – 10.00 Organizational problems in the EP Lab and how to deal with them successfully | Ivica Benko, Igor Ferjančić, Krešimir Librenjak, Dejan Todorović
