Welcome letter

Course director

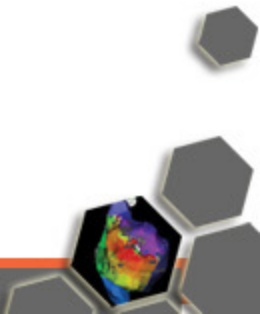

Ivica Benko, RN, BScN, MScN, ECDSAP

Dear colleagues,

It is our pleasure to invite you to the 1st training for allied professions in invasive cardiac electrophysiology with international participation – 1st EP Staff Training to be held in Zagreb from February 28th till March 1st 2020. This 3-day course is designed for nurses and allied professions in invasive cardiac electrophysiology and covers all the necessary topics for two purposes – to supplement a new staff member's orientation into the EP Lab and to provide additional knowledge on specific topics to current EP Staff.

We are looking forward seeing you.

Best regards!
