ACNAP mission & vision

Izabella Uchmanowicz – ACNAP President

I have a fantastic group of people
who represent my Board

ACNAP Board 2022-24

Izabella Uchmanowicz
FESC, FHFA

Leonie Klompstra
FESC

Lis Neubeck
FESC

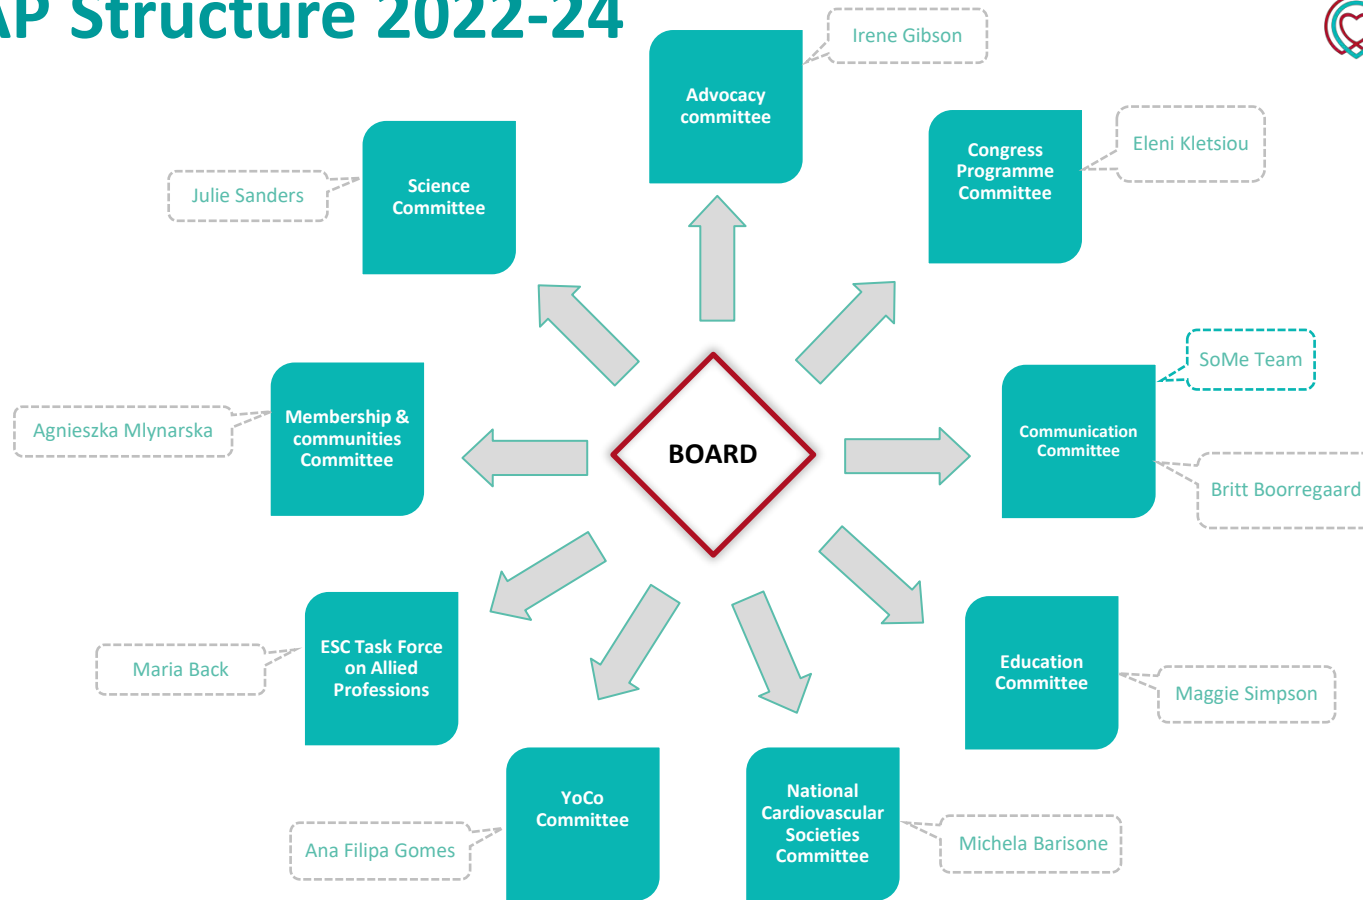

ACNAP Board 2022-24

Board members are devoting all their talent and expertise to influence the improvement of cardiac care, and promote leadership and education among all health care professionals.

I am fortunate to have such a wonderful, diverse group of colleagues who will contribute whatever they can to help improve cardiovascular care.

ACNAP Structure 2022-24

ACNAP Vision

To be the leading international community supporting the professional development of nurses and allied professionals.

To **build excellence** in cardiovascular care through **supporting** the practice, education, and research of **nurses** and **allied professionals** and **advocating** on their behalf.

ACNAP Mission

To promote nurses and allied professions as leaders in the prevention and care of cardiovascular disease.

ACNAP Mission

Increase public and political awareness of the critical role nurses play in the comprehensive care of patients with cardiovascular disease.

Promote individual and community education on cardiovascular disease and lifelong coping.

ACNAP Mission

Provide educational and professional development opportunities for nurses and allied professions who care for patients with cardiovascular disease.

Support certification and professional development for nurses who specialize in caring for patients with cardiovascular disease.

ACNAP Mission

To disseminate information about innovative, financially responsible models of care for patients with cardiovascular diseases.

To foster fruitful cooperation with professional organizations with similar goals.

ACNAP Mission

To promote the use and dissemination of research and support evidence-based practice in cardiovascular disease risk reduction and disease management.

To support and collaborate with patient organisations.

ACNAP Today

- A multi-disciplinary network of Nurses and Allied Professionals
- 20,000+ Healthcare Professionals within the ESC

- **Online Teaching Courses** in different languages:

- [Heart Failure](#)
- [Syncope](#)

- Toolkit on **Atrial Fibrillation**
- **Core Curriculum – new edition**
- **Webinars** (live and on-demand)
- **Podcast series** highlighting one allied profession each month

Education

- **Upcoming webinar:**

Free for
everyone

Cardiac implantable electronic devices: decision-making and follow-up

📅 7 June 2023, from 18:00 to 19:00 CEST

📺 Webinar

[Register now](#)

Free for everyone

Organiser: **Association of Cardiovascular Nursing and Allied Professions (ACNAP)**

Topic: **ARRHYTHMIAS AND DEVICE THERAPY**

👤 Host: **Mrs M. Simpson (Glasgow, GB)**

👤 Speakers: **Professor W. Mullens (Genk, BE) , Assistant Professor D. Theuns (Rotterdam, NL)**

- **Webinar on demand:**

2020-22 NS Project:

ACNAP Survey : Implementation of the ESC Guidelines update

- **Objectives:** to explore how the National Scientific Societies of Cardiology or Cardiovascular (network of National Societies) can help disseminate the guidelines and documents of the European Society of Cardiology or the Association of Cardiovascular Nurses and Allied Professions (ACNAP) in clinical practice.
- **Start:** January 2022
- **Ended:** April 2022
- Translated into **12 languages**

A total of **546 Nursing and Allied professionals** responded to the Survey
Completion rate **86%**

Initiatives 2022-24

- 1) Following the results of **the ACNAP Survey** the objective for this two-year period is to carry out some strategic activities **to disseminate the ESC guidelines more effectively** and similarly for main documents promoted by ACNAP (e.g. new core curriculum)

HOW?

- Create an **ACNAP dissemination model** (framework) for the dissemination of ACNAP documents and ESC Guidelines through the National Societies.
- Draft and publish **the Role of National Cardiovascular Nursing Societies in ACNAP** (Handbook for National Societies) which will be translated into local languages.

Initiatives 2022-24

- **Launch** of an **invitation to NSs to award the best project implementing the ESC guidelines and ACNAP documents** should also include the results), during **ACNAP Congress 2023**.
- The **best project** will be **awarded at the ACNAP Congress 2024**. The NSs will have about 1 year to write and implement the project.
- The projects will be evaluated by a **special committee** (to be defined)
- A **submission deadline** for the project + results will be set for February 2024.
- The **5 best projects** will be presented at the **ACNAP Congress 2024**

Initiatives 2022-24

2. Maintain networking with NSs by **scheduling dedicated thematic events** (online and during ACNAP congress) **in cooperation with other ACNAP Committee Chairs**, to disseminate ACNAP initiatives and opportunities.

HOW?

- Schedule **online networking events** during the year

ACNAP membership : Why join?

Agnieszka Mlynarska - Membership & Communities Committee Chair

Membership

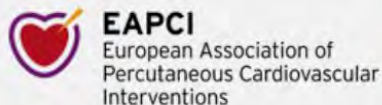

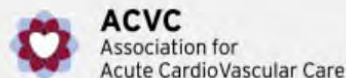

The ACNAP is a truly unique association in the ESC Family, here to support your professional journey every step of the way.

The ACNAP has endless opportunities to make the most of what we have to offer – from networking and mentoring to educational tools and resources, and access to exceptional scientific resources to further enhance your career.

If you believe in the ACNAP and everything we stand for, take the next step and support our mission by becoming an ACNAP Silver Member or a ACNAP Member.

Our Communities

The European Society of Cardiology comprises 7 associations, 15 working groups, and 6 councils.

ACNAP Silver Membership Benefits

As an ACNAP Silver Member you belong to the leading international community dedicated to nurses and allied professionals (APs) working in cardiology.

ACNAP supports your professional development by providing you with unlimited access to everything you need to deliver the best patient care and to improve your patient outcomes.

A strong community

The ACNAP community works to improve their patients' well-being and outcomes.

Your benefits

- Exclusive access to the ACNAP Member Directory to contact any member of the association
- Networking opportunities at ACNAP's congress
- Online networking events
- Mentoring programme

Benefit from a unique experience at ACNAP's annual congress, where you can network with international peers.

Your benefits

- **Savings on your registration fee**
- **Networking events**

Educational Grants

The Association of Cardiovascular Nursing and Allied Professionals is offering educational grants to nurses and allied professionals who have limited access to funding or difficulty obtaining financial assistance to attend the ACNAP 2023 congress.

Grant recipients will get one **free registration** to attend ACNAP 2023 in Edinburgh (it is not possible to use this registration for another edition).

Mandatory criteria

At the time of the application, you must be an ACNAP Silver Member.

Age	Points	Profession	Points	Country	Points
-30 years old	2	Student or In training	2	Low income	2
-40 years old	1	Nurse or Allied Professional	1	Middle income	1
+40 years old	0	Cardiologist or Physician	0	High income	0

Submission is now closed for this year

ACNAP Mentoring Programme

The ACNAP mentoring programme provides researchers with access to a mentoring network that will facilitate the development of high quality cardiovascular nursing and allied health research.

Why participate?

- Broaden your professional network and build links with members of the community.
- Develop and enhance personal and research skills.
- Gain access to a mentorship network that will facilitate the development of high-quality cardiovascular nursing and allied health research.

Eligibility

- Be a registered nurse or allied professional
- Be an [ACNAP Silver Member](#)

ESC 365 - the online CV library

ESC 365 is the online cardiovascular library, which hosts over 135,000 presentations, webinars and abstracts, covering the entire spectrum of cardiovascular medicine.

Your benefits

Year-long access to the following:

- Slides, videos and abstracts from ACNAP congresses
- ACNAP webinars

European Journal of Cardiovascular Nursing (EJCN)

This peer-reviewed journal is dedicated to the advancement of knowledge in the field of cardiovascular nursing and publishes original articles, short report reviews and editorials to improve the quality of nursing care for patients with CVD.

Your benefits

- **Free online access via your My ESC account, under My Publications.**

ACNAP Webinars

Stay up to date with the latest science shared by experts in a one-hour, interactive session. Webinars provide ongoing education on topics related to cardiovascular care for nurses and allied professionals.

Your benefits

- **Unlimited access to all ACNAP live and on-demand webinars**

ACNAP Boards and Committees

ACNAP elections take place every two years.

Your benefits

- Voting rights (conditions apply)
- Only Silver Members can apply for
- positions on the Board

Additional Benefits

ACNAP Member are automatically a member of the ESC

This gives you even more privileges:

- Discount on ESC journals, textbooks and handbooks,
- And on Educational courses via the ESC e-Learning Platform
- Watch ESC webinars on general cardiology, both live and on-demand
- Access to the ESC Member Directory

Don't miss out!

Check the status of your ACNAP Silver Membership in your My ESC Account to ensure your membership is always up to date.

Top 15 countries : Silver members (currently active)

Data 14 Apr 2023

Priorities:

- **increasing the number of participants from Central and Eastern Europe**
- **increasing the number of participants with a Silver Member status**
- Promote membership in social media other than ESC
- Regular mailing from natal organizations inviting people to join ACNAP
- Emphasizing the benefits of Silver Member or proposing new benefits

How to increase the number of members

1. Contact with universities that educate nursing and other allied professions
2. Contact with national presidents of sections/association of cardiovascular nursing and other professions
3. Step by step preparation to indicate that the application process is intentional
4. Indication of the profits related to Silver Membership

**Take
home message*

- We are members of the ACNAP family.
- We are responsible for our association.
- Our association is as strong as the number of members we have.
- Please promote membership in your country.

BANCC Research Forum

Research Forum Achievements

Fully established research forum and working group supported by BHF-CRC

- Research Forum newsletter
- Launches at BCS, Arrhythmia Alliance, BSH Nurse Forum (2021)
- Research specific sessions at BCS 2022 and BANCC Study Day 2022
- Symposium at EuroHeartCare 2022 & 2023
- Peer review for the BHF-CRC funding scheme (3 rounds) with success for funding for a project led by Prof Ian Jones endorsed by BANCC in Round 3
- Representation on the Chief Nursing Officer for England Shared Professional Decision-Making Council for Research (Tootie Bueser and Rosalynn Austin)
- 1:1 adhoc research support
- British Junior Cardiologists Association video segment on research (Claire Lawson)
- Celebrating success of BANCC members in research:
 - BHF Fellowships: Helen Eftekhari, Hannah Waterhouse, Barbara Farquharson
 - NIHR Fellowships: Claire Lawson
 - PhDs completed: Tootie Bueser, Lizelle Bernhardt, Rosalyn Austin
 - MSc completed: Adam Damianopolous
 - Promoting publications authored by members

Publications in BJCN

- The BANCC research forum: championing cardiovascular nurse researchers

- Rosalynn C Austin and Teofila (Tootie) Bueser. British Journal of Cardiac Nursing 2021 16:1, 1-3

- The life cycle of the lesser-spotted cardiac nurse researcher

- B Farquharson, R Austin, L Bernhardt, H Whitehead, C Barron, A Damianopoulos, G Campbell, C Lawson, C Deaton
On behalf of the BANCC Research Forum. British Journal of Cardiac Nursing 2021 16:8, 1-9

Consultations:

- Proposals for legislative changes for clinical trials
- NMC Education standards (to include research)
- BSH HF Nurse competencies (research & ICC sections)

Research collaborations:

- Edith Cowan University, Australia-CCU Discharge planning (recruiting)
- Edinburgh Napier University-Sexism in cardiology (awaiting outputs)

Future plans

- Platform for collaboration and mentorship through the BHF-CRC
- Strengthen partnerships with other affiliated groups
- Continue with sessions for research career awareness and training
 - 2023: supporting junior nurse abstract submissions to BANCC conference with plans for BCS & EuroHeart next year
